### FROM THE CELLAR

**HARVEST:** The grapes for this single vineyard riesling were picked on October 17th to achieve the optimum balance between ripe fruit and acidity. The 2021 growing season presented us with cool and wet conditions resulting in an above average crop and abundant acidity in both reds and whites.

**FERMENTATION/  
MATURATION:** The juice for this single vineyard Riesling was held on the lees for an extended period of time at a low temperature to aid in the development of varietal characteristics. Indigenous yeast enhances complexity, while sur lie aging creates a freshness with complex aroma and flavor profile while delivering rich and balanced mouthfeel. Enjoy now with potential to cellar up to 10 years or beyond.

### WINE NOTES

This multi-dimensional off-dry lush Riesling has a palate of apricot and honeydew intermingling with baked apple, pineapple and persists with a light black tea finish.
