LANDING

W I N E C E L L A R S

For over twenty years, we have dedicated our winemaking practices to a philosophy of collaboration with our environment. We have meticulously managed twenty estate vineyard blocks through the application of sustainable agricultural practices. This philosophy is continued in our cellar, as we use winemaking techniques that truly express the cool-climate, glacier-carved Finger Lakes region. In our winery, we share a wide selection of well-balanced wines, each crafted in a spirit of exploring the wine and food experience.
